

**Project: Princesshay Shopping Centre Car Park, Exeter**

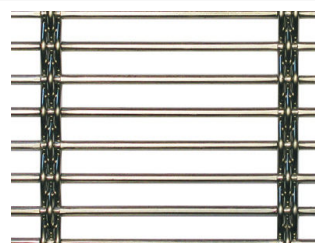

**Gladstone 100/10 architectural cable mesh and Gladstone PC 100/10 pre-crimped mesh installed as façade cladding at The Princesshay Shopping Centre Car Park in Exeter.**

The Gladstone cable mesh is installed as an outer layer of façade cladding, over the pre-crimped mesh behind, creating a visual moiré effect. The internal layer of pre-crimped Gladstone mesh provides strong and effective security screening between the concrete car park levels.

**Material:**  
Gladstone  
100/10 Cable  
Mesh.

**Material:**  
Gladstone PC  
100/10 Mesh.
