## 3. The personal data that we collect

- 3.1 In this Section 3 we have set out the general categories of personal data that we process and, in the case of personal data that we did not obtain directly from you, information about the source and specific categories of that data.
- 3.2 We may process data enabling us to get in touch with you ("**contact data**"). The contact data may include your name, email address, telephone number, postal address and/or social media account identifiers. The source of the contact data is you and/or your employer. If you log into our website using a social media account, we will obtain elements of the contact data from the relevant social media account provider.
- 3.3 We may process your website user account data ("**account data**"). The account data may include your name, email address and business name. The primary source of the account data is you and/or your employer
- 3.4 We may process information relating to transactions, including purchases of goods and/or services, that you enter into with us and/or through our website ("**transaction data**"). The transaction data may include your name, your contact details, your payment card details (or other payment details) and the transaction details. The source of the transaction data is you and/or our payment services provider.
- 3.5 We may process information contained in or relating to any communication that you send to us or that we send to you ("**communication data**"). The communication data may include the communication content and metadata

associated with the communication. Our website will generate the metadata associated with communications made using the website contact forms.

- 3.6 We may process data about your use of our website and services ("**usage data**"). The usage data may include your IP address, geographical location, browser type and version, operating system, referral source, length of visit, page views and website navigation paths, as well as information about the timing, frequency and pattern of your service use. The source of the usage data is our analytics tracking system.
- 3.7 We may process information contained in any enquiry you submit to us regarding products and/or services ("**enquiry data**"). The enquiry data may be processed for the purposes of offering, marketing and selling relevant products and/or services to you. The legal basis for this processing is consent.
