

## Iguassu Spiral Mesh

Scale 1:1

### Specification

| Material      | Stainless Steel |        |                     |
|---------------|-----------------|--------|---------------------|
| Wire diameter | 1.6 mm          | Finish | Bright Drawn        |
| Coil diameter | 18 mm           | Pitch  | 30 mm               |
| Open area     | 85%             | Weight | 5 kg/m <sup>2</sup> |

The nature of this mesh gives a '3 dimensional aspect' with an overall thickness of 18 mm. Other combinations of coil diameter and pitch are available.

### Availability

Also available in anodised aluminium and painted steel.

### Typical Applications

Facades, security screens, brise soleil and drapes.

Locker is a UK based supplier of architectural wire mesh products certified to BS EN ISO 9001:2015. With comprehensive in house 3D design facilities we are able to offer a complete package from development of the architectural wire mesh specification through design, fabrication and delivery to site of the finished screens, ready for installation.
